JK Rack Gutter Clamp Install ..... 4

### Disclaimer

Expedition One is not responsible for any damages to vehicle.  
We always recommend professional assistance when  
installing our vehicle products.

Included Hardware:

4 Clamps (2 additional can be purchased)  
\*Clamps can be sold separately\*

Tools:

3/16" Allen Wrench

Skill Level:

1/5 stars (Professional install recommended)

Shown in 1st photo, with cover off, you can adjust to desired height.

Reattach cover plate and use provided button head bolt to secure it in place.  
(Leave fairly loose to allow it slide over the gutter)

Slide gutter clamp over top of gutter with cover plate securing underneath

Using allen wrench, begin tightening your button head bolt into place.

Do this for the other gutter clamps in your kit and your all done!
